

## Our Sermons 2Timothy 4:2-4

### **We All Preach**

May never preach from pulpit, yet are sermons can, should preach  
In fact we are all preaching a sermon every day either good or bad

### **Purity Of Life**

Many reasons why one is attracted to Christ - **Hebrews 4:15**

Even his enemies could find no fault in his life

We are attracted to the church by his purity

It is attractive or repelling to world according to lives of its members

Some have been repulsed by ungodliness on part of some 'christians'. It would be a shame for the church to be contaminated by impurity - **Ephesians 5:25-27**

Note the song "The World's Bible" (#460)

### **Honesty In Business**

Abraham Lincoln has been appreciated because of his honesty - **2Corinthians 13:7**

Paul when carrying help to poor saints in Judea, followed a course that would be beyond question. He didn't presume to handle the funds alone. He wanted all to know exactly what was being done. - **2Corinthians 8:20-21; 1Samuel 12:3-5**

Would that all men, whether public or private station, would be able to say in truth at the end of their tenure that which Samuel was able to say, and the people acknowledge as being true

### **Loyalty In Employment**

Servant-master - observed in employee/employer relationship - **Ephesians 6:5-9**

### **Unselfishness In Service**

Christ the perfect example - **Acts 10:38**

Christ filled his day in serving others

After the sermon on the mount a leper asked for help. Christ healed him. Centurion came beseeching him in behalf of his palsied servant. - **Matthew 8:7**

Many need help, many ways Christians preach unselfishness in service

### **Love In The Family**

Paul set forth the great principles by which Christian's home is governed

**Ephesians 5:22-23,25,28; 6:1-4**

Wife is subject to husband, and recognize him as the head of the house

Not difficult, since the husband loves wife as Christ loved church.

Children are to honor and obey their parents, again, this shouldn't be hard, when parents show love, respect and devotion to children

When these great principles followed, homes will not be torn apart, and children will not be dreadfully victimized by unloving parents

### **Faithfulness In Worship**

There should be a burning desire in the heart of every Christian to honor God in worship at every opportunity - **Psalms 122:1**

God wants faithful and true worshippers - **John 4:23**

If we not at planned place of worship, we are not what God is seeking

Illustration: Lady faithful in attendance, walking to building past man's house, causes man to want to find out why

God requires no more from any individual than faithfulness

### **Preach Well**

The most effective sermons that can be preached are those that are demonstrated in the lives of faithful Christians day by day

These sermons are preached where the greater number of people are found, the market place, the home, the school, along the streets.
