

## Victory Is Certain

### Make The Choice

Most if not all here have already voted

Your choice is not my business - Willing to discuss privately

Really not concerned who wins - I have preference

My individual vote only really matters to me

Much discussion this year about our choices

Of course, as usual, several choices missing from conversation

We made our choice years ago - We chose Jesus

Wonder how much we discussed this choice with others

Only choice that really matters - Everything else controlled by that choice

**Matthew 6:33; Colossians 3:1-3; Ephesians 4:1; Hebrews 10:39**

Once made that choice victory is assured!

Follow Christ and I always win! - **Hebrews 12:22-24**

Though our world seems worst could ever be, others have experienced similar times

Often with no opportunity to bring any change.

John given a vision of bleak and sorrowful time for Christians in his time

Persecution, death, loss, pain, sorrow, oppression would be commonplace in their life every day.

They would find little to no relief in their life.

Yet he was instructed to show them victory as well

### Victory Is Ours

Look at **Revelation 20-22**

Satan allowed power for a time - **Revelation 20:1-6**

Satan and his minions are soundly defeated - **Revelation 20:7-10**

The victor sits upon His throne judging those who are under his authority. - **Revelation 20:11**

Judgment is past down upon those who have rebelled. - **Revelation 20:12-15**

The new order is set in place. The followers of the victorious one are given reward. Those who rebelled will be punished. - **Revelation 21:1-8**

Now we see the vision of the dwelling place of the victorious one. - **Revelation 21:9-22:5**

This is what will happen There is no doubt that Christ will be victorious & these things will take place. - **Revelation 22:6-7**

The time of this victory was near for John. Only those who follow Christ will enjoy the blessings of this victory. - **Revelation 22:8-21**

### Victorious Picture Of The Church

I can find no other explanation that fits the descriptive terms used. Some think this is the church in heaven after this world has ended. I personally think we are now experiencing the wonderful blessings described here. John was told not to seal this prophecy because the time was near. 2000 years is not near by any standard.

### We Are Living In This Time Of Victory

God dwells with men.

The Glorious Church, the Bride of the Lamb is here and we are part of it. The glory of God lights our path, and those who walk in its light will receive glory & honor. - **Hebrews 12:28-29**

Are you enjoying these blessings or are you outside the gates of the city of victory?
