

Draw Water With Joy Isaiah 12:1-6

The Wells Of Water

God's provided source of salvation - Commands and ordinances - Luke 1:6; Matthew 7:21; Revelation 22:14
What of those who would provide another source - Jeremiah 2:12-13; Galatians 1:8-9
Wells do not send forth two kinds of water - James 3:11

Christ Provides The Water Of Life

John 7:37-38; John 4:10

Did Jesus give many kinds of living water?
Many kinds not needed--one enough

Blessings Of The Gospel Are Like Water

Both are refreshing

Water revives vegetation from drought

Gospel only will revive man spiritually - Acts 3:19-20

They have a purifying influence

Cleansed by water (water is known as the universal solvent) - 1Peter 1:22-23

Both are universally necessary

Everyone needs water

Gospel is for all nations

Must be properly applied before the blessing is to be had

We Draw The Water

Isaiah 12:3 "you will joyously draw water"

(We need not have someone specially educated to draw it for us)

We draw water through study

We draw it with joy because of its blessings

Because it is free - Isaiah 55:1-3; Revelation 22:17

Because it satisfies and brings everlasting life - John 4:14
