

## **The Prayer Of Faith James 5:13-18**

### **Faith Heals**

I am not a faith healer, but I am convinced that faith heals.  
Such faith is seen in our prayer to God for sick and suffering.  
Consider prayer for healing and comfort as expression of our faith in God to help

### **Prayer Is Expression Of Love**

*Romans 12:9-13; Colossians 4:2-4*

Despite ranting of some, prayer lets others know we care.  
Consolation & support to those troubled by sorrow & pain  
It expresses our hope and gratitude to God for His care

### **Prayer Is Expression Of Faith**

*Matthew 21:22*

We must have faith in God, and in His ability to answer  
*Hebrews 11:6; James 1:5-8*

### **Prayer Is Expression Of Dependence**

*Luke 18:9-14; Philippians 4:4-7; Psalm 34; Psalm 51*

### **Prayer Is Expression Of Thanksgiving**

*Ephesians 5:20; Philippians 4:6; Colossians 4:2; 1Thessalonians 5:16-18*

### **Prayer Is Expressive**

Shows love to brethren  
Shows faith and trust to God  
Acknowledges our dependence on God and others  
Demonstrates thankful attitude for help  
Pray!
